1. Definitions

Like many industries, insurance has a language all of its own. We’ve tried to remove jargon wherever we can. Where we need to use a technical or legal term we’ll show this in bold. A glossary of these terms can be found in section 15.

Please see section 12 for details of the general terms applying to your policy, as these are important.

2. What cover does your policy provide?

The main purpose of this policy is to provide a lump sum payment of the sum assured when a life assured dies. The policy will then end as it will only pay out once.

For more details, please see section 5.

3. Who will be covered?

The policy can cover one person (life assured) or two people jointly (lives assured). Where we’re covering two people jointly, the policy will only pay out the sum assured once. Once the sum assured is paid out the policy will stop.

You can take the policy out to cover someone else, as long as you can show that you would suffer financially if the life assured or lives assured (for joint policies) died or is diagnosed with a terminal illness.

The table below shows the minimum and maximum ages the lives assured can be to start a policy. For example if the age is shown as 83, it means before their 84th birthday. If the policy is for joint life, the maximum ages below apply to the older life assured.

<tr>

</tr>
<tr>

</tr>
</tbody>
</table>

You and the life or lives assured must be UK resident when this policy starts.
4. When will you be covered?

Your policy will run from the start date until we pay a claim following the death or diagnosis with a terminal illness of a life assured.

You can choose a start date up to 90 days in the future, providing your premiums won’t increase from those we’ve agreed with you, in which case you’ll need to choose an earlier date. This is because the age of the life assured or lives assured affects how much we’ll charge to provide this cover.

The policy will end when the sum assured has been paid.

Your policy will end earlier if:

- your premiums aren’t paid when agreed (see section 8)
- we cancel the policy because you or a life assured didn’t answer all the questions we asked fully, honestly, and accurately, to the best of your or their knowledge
- we cancel the policy because offering cover will violate any financial sanctions, laws or regulations
- in our reasonable opinion you are in material breach of these terms and conditions
- the life assured doesn’t give us consent to access their medical reports as part of our routine checks (see section 7.1 for more details).

You can end your policy at any time. There is no cash-in value for the policy.

5. How much will you be covered for?

Your ‘Confirmation of terms’ shows the amount you’re covered for, any additional benefits and any specific exclusions we’ve applied to your policy. It also shows you how much you’ll pay.

Your sum assured will stay the same throughout the life of your policy unless you choose increasing cover (see below) or decide to make any other changes (see section 10).

If you want to check your current level of cover at any time, you can view your policy online on your customer portal.

**Whole of life cover**

The sum assured will be payable when a life assured dies or if they are diagnosed with a terminal illness during the life of the policy.

When you claim
As long as your claim is valid and meets the terms and conditions of your policy, we’ll pay out the sum assured and the policy will end.

Special conditions
We won’t pay a claim in full or in respect of an increase in sum assured, if the life assured commits suicide or dies as a result of intentional self-inflicted injury within 12 months of the start date or the date a requested increase or milestone benefit is exercised. Instead, we’ll refund the premiums paid in respect of your cover.
**Level or increasing cover**

At the start of your policy you choose whether you want level cover or increasing cover. You can only choose increasing cover before your policy starts – you can’t add it later.

**Level cover**

If you choose level cover the sum assured will stay the same throughout the life of your policy unless you change your cover.

**Increasing cover**

You can choose for your cover to increase each year by 3%, 5%, or in line with the Retail Prices Index (RPI). If you choose to increase your cover by the RPI, any increase will be limited to a maximum of 10% in any year.

Your premiums will go up each year by 2% for each 1% increase in cover we provide. If your ‘Confirmation of terms’ shows a premium loading on your policy, your premiums may go up by less than this.

We’ll make this change automatically each year on the anniversary of the start date. We’ll let you know eight weeks in advance how much your cover will increase by and how much extra you’ll need to pay.

If you tell us you don’t want to increase your cover, we’ll keep your cover and premiums at the same level as they were for the previous policy year.

If you ask to keep your cover and premiums the same three times during the life of your policy, we’ll remove increasing cover and you won’t be able to add it back on. Your policy will then become a level cover policy.

We won’t increase your cover and premiums if it means that the sum assured would exceed £40m.
6. What additional benefits can the policy provide?

You can choose to include waiver of premium on your policy at extra cost. If the policy is a joint policy, this option can be taken for either or both lives assured. Your ‘Confirmation of terms’ will show if you have this cover and the cost.

Waiver of premium

This benefit is payable if a life assured is incapacitated as a result of illness or injury for more than six months, and can’t perform their own occupation. This period of six months before any benefit is paid is known as the deferred period. If the policy is a joint policy, the waiver of premium option can be taken for either or both lives assured.

The benefit can start any time between the age of 16 and the day before the life assured’s 55th birthday, and will end the day before their 70th birthday. We’ll stop charging you for this benefit at this time and will reduce your premiums accordingly. If it’s a joint policy, this benefit will end for each life assured when they reach the maximum age.

When you claim

As long as your claim is valid and meets the terms and conditions of your policy, we’ll pay the premiums on this policy from six months after the life assured becomes incapacitated.

We’ll pay the premiums until:

• the life assured no longer meets our definition of incapacitated
• the life assured returns to paid employment
• the 70th birthday of the life assured, or
• the policy ends.

You must restart paying the premiums on your policy when we stop paying them or your cover will end.

Special conditions

We won’t pay the waiver of premium benefit if:

• the life assured wasn’t in a paid job when they became incapacitated
• the life assured has more than one occupation and they can still do the main duties of any of them
• the life assured is not continuously incapacitated throughout the first six months
• the entitlement to the waiver of premium benefit has less than six months to run when the life assured becomes incapacitated. This is because the benefit is only payable after six months of incapacity
• the life assured is living abroad and doesn’t get a diagnosis in one of the countries we accept (see section 14.5)
• you don’t tell us about the claim within six months of being unable to work (see section 9).

Example – waiver of premium

If a life assured is signed off work with stress and you make a valid claim for this benefit, you’d pay your premiums for the first six months the life assured is unable to work. If the life assured is still unable to work after six months, we’d start paying your premiums for you. If the life assured goes back to work after a year, when he or she returns to work we’d stop paying your premiums for you. The life cover is unchanged during this period, and if a life assured is unable to work again in the future, you can make another claim under the waiver of premium benefit.
7. Your commitment

7.1 If anything changes or is incorrect

For the purpose of this section only, when we say “you” or “your”, we mean the policyholder(s) and the life assured or lives assured.

You must take reasonable care to answer the questions we ask fully, honestly, and accurately, to the best of your knowledge. Even if this information has already been provided in a previous application, it must be provided again. The policyholder is ultimately responsible for the information provided to us in respect of a life assured.

If someone other than you records your answers, you must make sure the recorded answers accurately reflect what you have said. Our decision to offer cover, and the terms of that cover, will be based upon the recorded answers and won’t take into account any verbal information not otherwise recorded.

If you think anything you’ve told us is wrong, or if anything changes between you agreeing to take out the policy and the policy start date, it’s important you let us know as soon as possible.

If you don’t tell us about something that’s incorrect or has changed, the policy may be cancelled, its terms may be changed, or a claim may be rejected or not fully paid. Cancelling a policy means that no cover or other benefits will be provided.

If you tell us about something that’s incorrect or has changed but it does not affect the cover we have offered then we may alter the policy to the extent required to keep our records up to date but your premiums and these terms will not change.

As part of our routine checks on the accuracy of the information that has been provided to us, we may ask for permission to access your medical reports up to six months after your policy has started. If you don’t give us your consent, we’ll cancel your policy and refund your premiums.

7.2 If your contact details change

You can make changes to your contact details on the customer portal. Please let us know as soon as possible if your or a life assured’s name, address or contact details change. If you or a life assured move abroad, you must let us know – please see section 14.4 for more details.

7.3 If you want to cancel

You can tell us you no longer want cover at any time.

When we issue your policy documents we’ll send you details of how to cancel your policy. You’ll have 30 days from receiving these documents to do this. If you decide to cancel within the 30 day period we’ll refund any premiums you’ve already paid and will stop providing you with cover.

If you tell us that you want to cancel at any time after the 30 day cancellation period, we’ll stop collecting premiums and offering you cover.

7.4 If you need to make a claim on your policy

You, or the person dealing with your affairs, should tell us as soon as possible if you need to make a claim. For more information on how to make a claim, please see section 9.
8. Paying your premiums

8.1 How much you’ll pay

Your ‘Confirmation of terms’ shows how much your premiums will be.

Your premiums are guaranteed – this means they won’t change unless you change your cover or you’ve chosen increasing cover. If you do make a change to your cover, we’ll tell you how much your new premium will be. The change will take place from your next premium due date.

Any changes you make to your policy must not reduce your premium below our minimum premium amount. As at May 2018, our minimum premiums are £8 a month or £80 a year.

8.2 How you can pay

We’ll collect your premiums by direct debit. You can choose whether to pay monthly or annually.

Premiums will only be collected from a bank account held in the UK and must be paid in sterling.

8.3 When you pay

You can choose which day of the month you wish us to collect the premium (any day between 1st and 28th). This is your premium collection date. Your first premium may be collected on a different day as we’ll always give you 10 working days’ notice of any new or amended premiums. We’ll write to you to let you know when your first premium will be collected.

If you choose a premium collection date which is different to your premium due date, premiums will be collected after they are due. This won’t affect your cover or the amount of premium that you pay. You can change your premium collection date at any time.

You can also at any time:

• change from monthly to annual premiums, or
• change from annual to monthly premiums.

This change will take effect from your next premium due date.

8.4 If you don’t pay your premium

If you don’t pay a premium within two months of the premium due date the policy will end and we’ll stop providing you with cover. If your premiums are paid by a third party, it’s your responsibility to ensure they’re paid on time.

We won’t reinstate a policy which has ended – if you still need cover you’ll need to apply for a new policy.
9. Making a claim

If you need to make a claim, you, or the person dealing with your affairs, should contact us using the details below.

Call us on:
Tel. 0370 243 0827
(opening hours: 9am to 5pm, Monday to Friday)

Alternatively, go to the customer portal or visit us online at:
www.zurich.co.uk/life-insurance/claim

We always try to pay all valid claims as soon as possible and we’ll keep you, or the person dealing with your affairs, informed of how the claim is progressing.

9.1 What information we’ll need

When you get in touch we’ll let you, or the person dealing with your affairs, know exactly what information we’ll require and any forms which must be completed. The sort of evidence we may require includes:

- medical evidence
- evidence of death
- proof of who owns the policy.

9.2 Waiver of premium benefit

Please tell us as soon as possible, or at the latest within six months of the life assured becoming incapacitated, so that you don’t miss out on any cover. You must continue paying your premiums during the deferred period or until we agree your claim, if later. We’ll refund any premiums you pay between the end of the deferred period and when we accept your claim.

The life assured must be receiving regular medical care and supervision for their condition and we can ask them, or their doctor, for medical evidence at regular intervals to check whether or not you’re still eligible to claim.
10. What changes can you make to your policy?

The range of changes you can make to the benefits and cover on your policy are set out below. If you want to make any of these changes, please contact your financial adviser.

Any changes you make will only come into effect from your next premium due date. Any changes to your premiums will also be effective from the same date.

Depending on the change being made, we may ask for details of each life assured’s personal circumstances to check if we’re willing to change your cover.

10.1 Increasing the amount of cover you have

If you wish to increase the sum assured on the policy, there are two options available to you – a requested increase or using your milestone benefit.

Requested increase
You can ask us to increase your sum assured at any time. We’ll ask you about any changes in each life assured’s personal circumstances to see if we’re willing to offer this extra cover. If we are, we’ll work out your new premium based on each life assured’s latest personal circumstances and their age at the time you increase the cover.

Milestone benefit
Your policy may include milestone benefit – this will be included on your policy unless we have specifically excluded it on your ‘Confirmation of terms’. This benefit allows you to increase your sum assured within 90 days of a significant event (see table below) without having to tell us all about the life assured’s personal circumstances at the time.

At the time you want to use this option, you must be an employee or shareholding director in a private limited company or an equity member of a partnership.

The maximum increase you can make using your milestone benefit is the lower of your original sum assured or £200,000. This limit applies across any policies you hold with us, so if you have already used up all your milestone benefit on another policy you hold with us, you won’t be able to use it on this policy. In other Zurich policies, milestone benefit may be called “Guaranteed Insurability Option” or “Special Event Benefit”.

The life assured has to be 54 years old or younger when you use this benefit. If your policy covers two people, both have to be 54 years old or younger. If your policy is held in joint names, you’ll both have to agree to the increase in cover.

You won’t be able to use the milestone benefit to increase your cover if your policy includes waiver of premium benefit and a life assured is incapacitated.

Once the new cover is in place, your premiums will increase to reflect the extra cover we are providing. We’ll work out your new premium based on each life assured’s personal circumstances when you took out the policy and age at the time you increase your cover.
You must send us evidence of the significant life event within 90 days of the event. The following table shows the evidence we require:

<table>
<thead>
<tr>
<th>Milestone</th>
<th>What documents do we need to see?</th>
</tr>
</thead>
<tbody>
<tr>
<td>An increase in the value of your business based on the value of your shareholding, or your share, in a private limited company or partnership. If using this significant event, you won’t be able to increase your cover by more than the increase in the value of your share of the business, company or partnership. You can’t use this option if you are a sole trader.</td>
<td>Evidence of the increase in business value, including financial accounts and valuation of your company.</td>
</tr>
<tr>
<td>Increase in the value of a key individual to your business. If using this significant event, you won’t be able to increase your cover by more than the increase in the value of the key individual to your business. You can’t use this option if you are a sole trader.</td>
<td>Evidence of the increase in value of the key individual, including financial accounts.</td>
</tr>
</tbody>
</table>

**Example – milestone benefit**

You have £300,000 of Zurich Business Whole of Life insurance to cover the value of your shareholding in a business. Following a revaluation of the business, the value of your shareholding increases by £150,000. You decide to increase your cover by this amount to £450,000 using your milestone benefit. If a future revaluation increases the value of your shareholding again, as you’ve already used £150,000 of your milestone benefit, the most you’ll be able to increase your cover by is another £50,000. This will take you to your maximum increase under your milestone benefit of £200,000 (the lower of your original sum assured or £200,000).

10.2 Reducing the amount of cover you have

If you want to reduce the sum assured, you can do this at any time. There’s no limit on the amount you can reduce your cover by, providing your premiums don’t go below our minimum premium amount (see section 8). Please see section 10.1 for what will happen if you want to increase your cover again. If you reduce your cover, your new premium will be based on your new sum assured.

10.3 Changing the rate your policy increases

If you’ve chosen increasing cover, you can change the rate at which the cover increases at any time. The rates your policy can increase by are as shown in the explanation of increasing cover in section 5. The new rate of increase will apply from the next anniversary of the start date.

10.4 Removing the increasing cover option

If you’ve chosen increasing cover but want to change to level cover (see section 5, ‘Level or increasing cover’), you can do this at any time. Once you’ve removed this option, you won’t be able to add it back again. It’s not possible to change from level cover to increasing cover at any time.
10.5 Adding or removing the waiver of premium benefit

Your policy also provides you with access to the waiver of premium additional benefit, as explained in section 6. This can be added or removed after your policy has started. You can only add it if each life assured’s age is within the permitted age range.

If you wish to add the waiver of premium benefit, we’ll ask you about any changes in each of the life assured’s personal circumstances to see if we’re willing to add this benefit. If we are, we’ll work out your new premium based on each life assured’s latest personal circumstances and their age at the time you change your cover.

If you wish to remove the waiver of premium benefit, we’ll reduce your premium to reflect this change.

10.6 Reviewing your premium if you’ve previously smoked

When we work out the premium for your policy, one of the factors we use to determine the premium you pay is whether each life assured smokes, or how long it is since they gave up smoking.

If, since the start of the policy, a life assured has given up smoking for 12 months or more, you can ask us to review your premiums to see if we’re willing to reduce them. We’ll ask the life assured about any changes in their personal circumstances to see if we’re willing to do this.

We’ll work out your new premium based on each life assured’s latest personal circumstances at the time you change your cover. You can then decide whether or not you want to accept the new amount.

11. Changes we can make to your policy

This document sets out the terms and conditions of the policy. Only we can change or add to the terms and conditions.

We may alter the terms and to the extent that the change is proportionate and reasonable for any of the following reasons:

• To take account of changes to, or to comply with the law, taxation, official guidance, codes of practice, or the way in which we are regulated or the amount of capital we need to hold.

• To provide for the introduction of new or improved systems, methods of operation, service or facilities.

• To take account of a recommendation, requirement or decision of any court, government body, ombudsman, regulator or similar body anywhere in the world where the recommendation, requirement or decision impacts on us with regard to your policy.

• To make these terms and conditions clearer or more favourable to you.

• To put right any mistake we may discover in future.

• To reflect changes in technology or industry practice.

• To reflect any change to our corporate structure arising from any reorganisation of our business, that does not unfavourably affect your policy but requires us to make certain changes to these terms and conditions.

• To allow for changes to levies or charges imposed by law or under the Financial Services Compensation Scheme or by the Financial Conduct Authority (unless we are told we must not pass these onto our customers).

• If, in our reasonable opinion, we are at material risk of becoming insolvent and this may be avoided by changing these terms and conditions and the changes are in the interests of our policyholders as a whole.

Wherever possible, we will let you know at least three months before we make any material changes to these terms and conditions. You can get the most up-to-date version of these terms and conditions from your adviser or on your customer portal.
12. General terms

In these terms and conditions, where we can use our discretion, make a decision, require information or evidence or use our judgment, then we will do so acting reasonably, proportionately, fairly and in accordance with the law and regulations.

If there is a difference between these terms and conditions and any other communications we have with you, the terms and conditions will prevail.

If the ownership of this policy is transferred to someone else, we must be informed by a ‘notice of assignment’ at our address shown in section 16. This protects the legal position of the person to whom it is transferred. Notices of assignment must give the date and details of the assignment, including the full name of the person to whom the policy ownership is being transferred.

If any of the details you have provided are wrong, we can change the terms of your policy to reflect the correct details.

Only you (or if you die, the person managing your affairs or the person who is entitled to benefit from the policy) can enforce the terms of your policy. We exclude the rights of any other persons under the Contracts (Rights of Third Parties) Act 1999.

If there are joint policyholders, you’ll both need to agree to exercise any options on the policy.

13. Law

The policy is governed by the law of England.

We will not provide you with any services or benefits if in doing so we violate any applicable (including UK, EU and USA (Office of Foreign Asset Control)) financial sanctions, laws or regulations. This could result in us having to terminate your policy with us.
14. Other information

14.1 How to complain

If you need to complain, please see section 16, ‘How to contact us’.

You can ask us for details of our complaint handling process. If you are not satisfied with our response to your complaint, you can complain to:

Financial Ombudsman Service
Exchange Tower
Harbour Exchange Square
London
E14 9SR

Telephone: 0800 023 4567 or 0300 123 9123

Or visit the website www.financial-ombudsman.org.uk

This service is free to you and you can find out more at any time by contacting the Financial Ombudsman Service. You do not have to accept the decision of the Financial Ombudsman Service and you are free to go to court instead if you wish.

14.2 Compensation

We are covered by the Financial Services Compensation Scheme (FSCS). If we cannot meet our obligations, you may be entitled to compensation under the scheme.

Any compensation you receive under the scheme will be based on the FSCS’s rules.

For this type of policy, the scheme covers 100% of the claim. Please note that for life assurance products the FSCS’s first responsibility is to ensure the cover continues rather than pay compensation.

If you need more information, you can contact the FSCS at:

Financial Services Compensation Scheme

14.3 Data Protection

Zurich Assurance Ltd is your data controller under data protection legislation and is committed to ensuring the way we collect, hold, use and share personal information about you complies fully with the legislation. This is explained in our data protection statement, ‘Your privacy is important to us’, which your adviser will give you when you apply. Please contact us if you would like another copy.
14.4 Moving abroad

This policy is designed for customers who are resident in the United Kingdom. The policyholder and each life assured must be deemed permanent UK residents at the time the policy starts.

We do not provide any tax advice. If you decide to live outside of the United Kingdom after this policy has been issued, we recommend that you obtain independent advice in relation to this policy on the tax consequences of changing your country of residence. We are not responsible for any adverse tax consequences that may arise in respect of your policy and/or any payments made under your policy as a result of you changing your country of residence.

If you move to another country outside the UK, your policy may no longer be suitable for your individual needs. UK laws or the local laws and regulations of the jurisdiction to which you move may impact our ability to continue to operate your policy in line with these terms and conditions. You must tell us of any planned change in your residency while you have a policy prior to such change becoming effective. If you do not do so this will be a material breach of these terms and conditions and we may terminate the policy as a result.

14.5 Living abroad

If you make a claim for terminal illness or waiver of premium benefit, all medical certificates and examinations that we require to assess the claim must be provided by a medical professional in the UK, the European Union (member states as of 2017), Australia, Canada, Japan, New Zealand, Norway, Switzerland or the USA. We will also accept evidence from other countries if, in our assessment, the evidence is comprehensive enough and of a sufficient standard for us to properly assess the claim.

If necessary we may need the life assured to consult and be examined by a medical professional of our choice to confirm the diagnosis. We will always act reasonably when reviewing evidence to support a claim.

14.6 Conflicts of interest

We make every effort to identify conflicts of interest. A conflict of interest is where the interests of our business conflict with those of a customer, or if there is a conflict between customers of the business. Once identified, we aim to either prevent the conflict or put steps in place to manage it so that it is no longer potentially detrimental to our customers. We have processes in place to ensure we conduct our business lawfully, with integrity, and in line with current legislation. We operate in line with our conflicts of interest policy, available on request or on our website, which details the types of conflicts of interest that affect our business and how we aim to prevent or manage these. Where we cannot prevent or manage a conflict which may be detrimental to you, we will fully disclose it to you in line with our policy.

14.7 Interpretation

In these terms and conditions, where the context requires, words in the singular include the plural and vice versa.
